

(C) Remarks

In the Office Action it was stated that claim 20 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

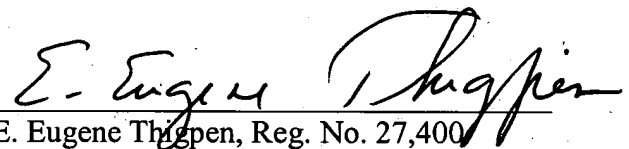

Claim 12 has now been amended to include the limitations of claim 20 and the intervening claims. Claims 13, 16, 18 and 20 have now been cancelled because the features of these claims have now been incorporated into claim 12. Claims 14, 15, 17 and 19 have been amended so modify the dependency of these claims. Claims 14, 15, 17, and 19 depend from claim 12 and should be allowable therewith.

Claim 54 has also been amended to include the features of claim 20 that were deemed to be patentable, and should now also be allowable.

A Notice of Allowability is respectfully submitted.

Respectfully submitted
